WELCOME TO THE 2020 FALL SEASON

Fresh TV awaits! And that couldn't be more welcoming. Fall's always been a favorite time of year for many of you. Despite everything going on in our world today, this season brings with it plenty of excitement and promise for new laughs, thrilling stories, engrossing dramas, compelling documentaries and more.

As this year's Emmy Award nominations prove, these past few years of television have been more and more competitive in terms of high-quality productions. I look at the nominations and some of the categories are soooo difficult — as everyone is so deserving — to pick just one winner (see page 7 for more information).

And this trend continues this season with several new standouts. Browse through the following pages to see what's ahead. I'm confident you will be pleased (AMC, National Geographic and Netflix all have exceptional additions). While some networks haven't confirmed premiere dates with so much in flux, rest assured amazing content awaits.

Happy Fall TV!

FALL Q&A

How Are The Emmy Awards Being Aired?

Jimmy Kimmel will serve as host of the 2020 Emmy Awards, which will be a virtual ceremony this year, instead of the star-studded spectacle it usually is. The show will air Sunday, Sept. 20, on ABC. Plenty of pre-show coverage will air on E! Earning the most accolades this year was HBO's *Watchmen* with 26 nominations. Here are the top categories' nominees:

Drama Series: *Better Call Saul* (AMC), *The Crown* (Netflix), *The Handmaid's Tale* (Hulu), *Killing Eve* (BBC America), *The Mandalorian* (Disney+), *Ozark* (Netflix), *Stranger Things* (Netflix) and *Succession* (HBO)

Comedy Series: *Curb Your Enthusiasm* (HBO), *Dead to Me* (Netflix), *The Good Place* (NBC), *Insecure* (HBO), *The Kominsky Method* (Netflix), *The Marvelous Mrs. Maisel* (Prime Video), *Schitt's Creek* (Pop) and *What We Do in the Shadows* (FX)

Limited Series: *Little Fires Everywhere* (Hulu), *Mrs. America* (FX on Hulu), *Unbelievable* (Netflix), *Unorthodox* (Netflix) and *Watchmen* (HBO)

Jimmy Kimmel will host the 2020 Emmy Awards

Are Shows Back In Production?

First, you need to know there is no traditional fall TV season schedule this year. Yes, many shows have returned with new protocols in place. How many returning scripted favorites will be back in business by the traditional premiere weeks of late September and early October remains to be seen (that's why you see several premiere dates missing in this issue). *TV Guide Magazine's* senior critic Matt Roush says we should expect to see a significant delay in getting new episodes ready for air on many primetime shows, as they figure out how to proceed with rigorous safety protocols, among other complicating factors.

How Does The Coronavirus Impact Storylines?

The biggest thing viewers will probably notice is on the romance front, especially kissing and sex scenes. *Grey's Anatomy* showrunner Krista Vernoff said in a podcast that it's "safe to say" that TV will be featuring a lot less kissing this season, but was confident they could work around being both socially distanced and sexy. "Obviously, you can't have people making out, but there's been a lot of sex on *Grey's Anatomy* that doesn't involve kissing," she said. "There's a lot of sexy lifting of clothes, and pulling down of clothes, and taking off of things, and standing behind a person in a sexy way. There's a lot of ways to skin a cat, so to speak."

What Is AMC+

AMC+ is a subscription service that includes the best original series from AMC and sister networks like SundanceTV and IFC, ad-free with early premieres on demand, along with the streaming services Shudder, Sundance Now, and IFC Films Unlimited. The AMC+ package also includes an ad-free premium linear network on Channel 294. The service is available for \$6.99 a month and can be added by going to mydish.com > my programming > add-on > On Demand Subscriptions > AMC Plus Pack.

When Is Chip And Joanna Gaines' Network Going To Launch?

Though the Magnolia Network was originally supposed to launch this fall, the debut has now been delayed to 2021. The network, coming from power couple Chip and Joanna Gaines, is taking over what is currently the DIY Network. Viewers can expect a vibrant roster of home and lifestyle shows, but what's probably the most recognizable will be the return of *Fixer Upper*, the show that introduced audiences to the Gaineses in the first place. *Fixer Upper* ran for five seasons before ending in April 2018, but it will now be resurrected and launch alongside the network debut in 2021.

Service Solutions

Check Out Updated Or New Apps On Your Hopper, Joey Or Wally

By Colleen Skells

At DISH, we're always looking for ways to improve your experience with your TV service. To help in this endeavor, we recently updated the MyDISH app and launched a new app called "DISH Learn & Play" on Hopper-family receivers.

MyDISH App

The MyDISH app has always been a convenient way to manage your service right from your receiver. But now it has a fresh look so you can quickly find the information you're looking for!

When you launch the app, you can immediately see your billing information, including your current balance due, last payment amount and whether or not you're enrolled in AutoPay or eBill. Look to the lower tabs to make a payment, see your billing/payment history or to see your rental history.

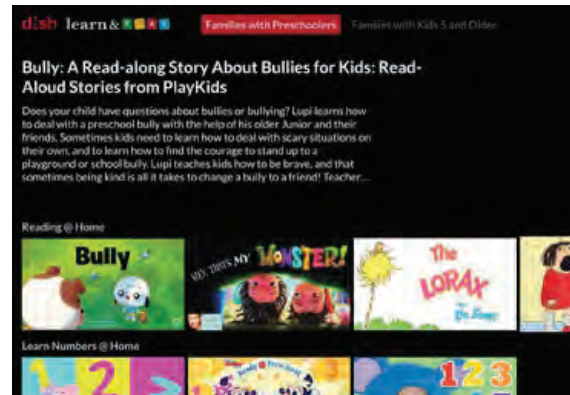

To get to the MyDISH app on your Hopper, Joey or Wally, press the Home button twice on your remote (or Menu button once if you have a 40.0 remote) and select the MyDISH tile.

DISH Learn & Play

We know that many of our customers currently have to juggle work with educating and/or entertaining their children from home. We want to help relieve some of this burden with the DISH Learn & Play app, available on the Hopper 3 and Hopper w/ Sling. The app allows you to explore and watch curated YouTube playlists that will help your children learn and play from home.

Playlists are broken out between families with preschoolers and families with kids aged 5 or older to provide relevant content depending on your children's age group. Choose from playlists like "Reading @ Home" or "Learn Numbers @ Home" for your preschoolers, and "ScienceCasts" or "Finding Stuff Out" for your older children.

To launch "DISH Learn & Play," press the Home button twice on your remote (or Menu button once if you have a 40.0 remote), select the Apps tile and then the DISH Learn & Play tile.

Check out features of your Hopper, Joey or Wally by visiting youtube.com/user/dish or mydish.com/support.

Annaleigh
Ashford and
Thomas
Middleditch

↑ B POSITIVE | CBS

Premieres: Fall

Airs: Thursdays at 8:30pm

Who's In It? Thomas Middleditch, Annaleigh Ashford, Kether Donohue, Sara Rue, Kamryn Kunody

What's It All About? Socially awkward therapist Drew (Middleditch, *Silicon Valley*) is a recently divorced dad whose problems are compounded when his doctor tells him he's suffering renal failure and needs a kidney transplant. The search for a compatible donor takes a surprising turn when he runs into old high school classmate Gina (Ashford, *Masters of Sex*). Gina's life has been a bit – we'll

call it “unstable” – and she's prone to making impulsive decisions. While drunk, she offers one of her kidneys to Drew. Will Gina remember this when the wine wears off? And can she commit herself to something this serious? Rounding out the cast are Donohue (*You're the Worst*) as job-hopping party girl Leanne, Rue (*Impastor*) as Drew's social-climbing real estate agent ex-wife Julia, and Kunody as Drew and Julia's daughter Maddie. *B Positive* is one of the only new live-action sitcoms to hit the small screen this fall, and it should B positively at home on Thursday nights following *Young Sheldon*.

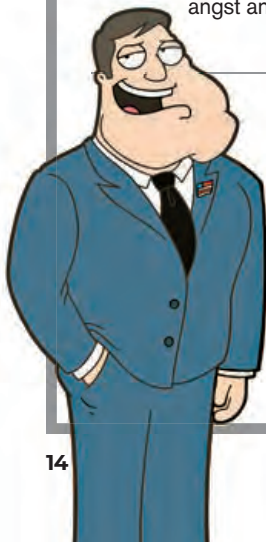

BARONESS VON SKETCH SHOW IFC

Returns: Oct. 14

Where We Left Off: Creators, writers and stars Carolyn Taylor, Meredith MacNeill, Aurora Browne and Jennifer Whalen continued Canada's tradition of exporting some of the finest-quality sketch comedy.

What To Expect: The Baronesses will sign off with a fifth and final season of eight episodes, which were filmed last fall in Toronto. "After five fantastic years, we have decided that Season 5 of *Baroness von Sketch Show* will be our last," the troupe said in a statement. "We are so grateful to have been given the opportunity to share our deepest embarrassments, existential angst and daily observations with you, our fans."

AMERICAN DAD!: 300TH EPISODE | TBS

Premieres: Sept. 14 at 10pm

Who's In It? Voices of Seth MacFarlane, Wendy Schaal, Rachael MacFarlane, Scott Grimes, Dee Bradley Baker

What's It All About? It's been 15 years since the animated misadventures of CIA agent Stan Smith (Seth MacFarlane) and his family, goldfish and attic-dwelling space alien hit FOX, and the series is still going strong since its move to TBS in 2014. Its 300th episode will reportedly continue the saga of the Golden Turd, and Roger's (again, MacFarlane) past will come back to haunt him.

OUR CARTOON PRESIDENT
SHOWTIME

Returns: Sept. 13 at 8:30pm

Where We Left Off: The first half of Season 3 took the *Cartoon* Washington insiders through the Iowa caucuses, the Democratic campaigns and the impeachment inquiry.

What To Expect: Nine new Season 3 episodes arrive just as the campaigns for *Cartoon* president start heating up. Coming up in the *Cartoon* universe, Don Jr. and Eric Trump join forces to develop a COVID-19 cure with Elon Musk and "MyPillow Guy" Mike Lindell; Susan Collins flees to Maine with Brett Kavanaugh; and CNN's Chris Cuomo – going against the urging of his older brother, New York Gov. Andrew Cuomo – strives to be taken seriously as a journalist.

THE SIMPSONS | FOX

Returns: Sept. 27 at 8pm

Where We Left Off: The longest-running primetime scripted show in TV history made lots of jokes about now being owned by Disney, one of the comedy's frequent targets of satire.

What To Expect: Teaser clips of the Halloween special, "Treehouse of Horror XXXI," show a time-lapse of Homer (voice of Dan Castellaneta) bingeing on candy at the nuclear power plant. There are also bits about Homer meeting Yogi Bear-style versions of himself, and a Disney princess (of course!) getting her tiara stolen by a pesky raven. Ben Platt, Hannibal Buress, Michael Palin, David Harbour and Olivia Colman are among the guest voices expected this season.

BOB'S BURGERS | FOX

Returns: Sept. 27 at 9pm

Where We Left Off: After 10 seasons on FOX, the Belchers keep cooking up fresh and funny laughs. Over the summer, Gene (voice of Eugene Mirman) expressed through song – to the tune of "Frère Jacques" – just how bored he was under quarantine in the short video "Bored."

What To Expect: The Season 11 premiere will venture into Bob's (voice of H. Jon Benjamin) dreams for an epic quest. Also this season, the kids try to talk their parents into getting a hamster, the Halloween episode explores that mysterious hotel down the block, the Thanksgiving episode has intestinal issues, and the show celebrates its 200th episode.

FAMILY GUY | FOX

Returns: Sept. 27 at 9:30pm

Where We Left Off: Seth MacFarlane's envelope-pushing comedy about the Griffin family made us laugh and cry for 20 years (minus those years after FOX canceled it in 2002).

What To Expect: Season 19 will have Peter (voice of MacFarlane) believing he's a mobster, Meg (Mila Kunis) revealing herself to be one of the X-Men, Brian (MacFarlane) discovering that he's 1% cat, and Stewie (yes, MacFarlane again) saying his "first" word. In a big casting change, Mike Henry announced that he's elected to stop voicing Cleveland Brown. "I love this character, but persons of color should play characters of color," Henry tweeted.

ARCHER | FXX

Returns: Sept. 16 at 10pm

Where We Left Off: Superspy Sterling Archer (voice of H. Jon Benjamin) spent his three coma years in Dreamland, on Danger Island and in futuristic 1999.

What To Expect: In Season 11, Archer is awake and eager to get things back to the way they were. The problem is that everyone else – Lana (Aisha Tyler), Mallory (Jessica Walter), Cheryl/Carol (Judy Greer), Cyril (Chris Parnell) and the rest of the crew – has been doing great without him.

BLESS THE HARTS | FOX

Returns: Sept. 27 at 8:30pm

Where We Left Off: Emily Spivey's animated comedy about a working-class North Carolina family got a pickup for Season 2. Perhaps they got a little help from Jesus (voice of Kumail Nanjiani).

What To Expect: Kristen Wiig, Maya Rudolph, Ike Barinholtz, Jillian Bell and Fortune Feimster return to the regular voice cast, with

Season 2 guest voices to include Ken Jeong, Kristen Schaal and Natasha Lyonne. A teaser clip of the Halloween episode showed the Hart family stranded inside an abandoned mall.

ALSO RETURNING

SUPERSTORE (NBC, Thursdays at 8pm) Plans for a two-part Season 5 finale that was to give America Ferrera's Amy a proper sendoff to California were cut in half, though producers will incorporate the unaired finale footage into the Season 6 premiere.

BROOKLYN NINE-NINE (NBC, Thursdays at 8:30pm) Two seasons after its move from FOX to NBC, the B99 writers and producers are rethinking how to make a comedy about cops in the wake of this year's civil rights protests. Star Terry Crews says that several planned Season 8 episodes had been scrapped, and everyone is exploring ways to make a positive social impact.

CALL ME KAT | FOX

The Big Bang Theory's Jim Parsons and Mayim Bialik are among the executive producers of this multicamera sitcom, which is a domestic adaptation of the British comedy *Miranda*. Kat (Bialik) is on the verge of 40, unmarried and completely happy – despite her mother's (Swoosie Kurtz) insistence that she's a failure. Kat decides to take the money her parents intended to spend on her wedding and instead use it to open a cat café in Louisville, Ky. Leslie Jordan, Kyla Pratt, Cheyenne Jackson and Julian Gant also star.

CALL YOUR MOTHER | ABC

Kyra Sedgwick

Kyra Sedgwick stars as Jean Raines, an empty-nester mom whose kids, Jackie (Rachel Sennott) and Freddie (Joey Bragg), are living it up thousands of miles away. Tired of being alone and blocked on social media, Jean decides to move much closer to Jackie and Freddie, who can kiss

their freewheeling lifestyles goodbye. The multicamera comedy also stars Patrick Brammall, Emma Caymares and Austin Crute.

THE GREAT NORTH | FOX

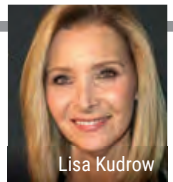

This animated comedy from *Bob's Burgers* creator Loren Bouchard has already received a second season pickup. Nick Offerman voices Beef Tobin, a single dad trying to keep his eccentric kids – Judy (voice of Jenny Slate), Wolf (voice of Will Forte), Ham (voice of Paul Rust) and Moon (Aparna Nancherla) – together on his Alaskan fishing boat. With no mother figure in her life, Judy turns to her boss, Alyson (voice of Megan Mullally), and the apparition of Alanis Morissette (voicing herself!) in the Northern Lights.

KENAN | NBC

Saturday Night Live veteran Kenan Thompson's single-camera sitcom was given a production commitment in fall 2018, and it might finally make it to air. Thompson plays an Atlanta morning TV show host and a recently widowed dad to twins Emma (Dani Lockett) and Sophie (Dannah Lockett). He's desperately in need of help, even if it's from his overbearing father-in-law, Rick (Don Johnson). Chris Redd and Kimrie Lewis also star.

HOUSEBROKEN | FOX

In this animated comedy, Lisa Kudrow voices a poodle mix named Honey, who leads the suburban neighborhood pets in group therapy sessions. Meanwhile, Honey's got her own problems: Her marriage to Chief, a St. Bernard, is on the rocks, and she's been giving the eye to a bad-boy coyote. The stellar voice cast also includes Nat Faxon, Will Forte, Tony Hale, Clea DuVall, Bresha Webb, Sharon Horgan, Greta Lee, Jason Mantzoukas and Sam Richardson.

Lisa Kudrow

MR. MAYOR | NBC

Tina Fey and Robert Carlock created this sitcom starring Ted Danson as a wealthy businessman who has less-than-honorable intentions in running for mayor of Los Angeles. When he wins, he's got to figure out what he actually stands for. Holly Hunter, Bobby Moynihan, Mike Cabellon and Vella Lovell round out the cast.

Ted Danson

TRUE STORY | NBC

Ed Helms and Randall Park are the minds behind this U.S. adaptation of an Australian format. Everyday Americans share interesting, funny or unusual true stories from their lives. As the tales unfold, Hollywood stars perform epic, overly dramatic depictions of the events. Helms says, "It's an incredibly warm, hilarious and kind-spirited show that celebrates the lost art of laughing at ourselves ... with a little help from epic reenactments."

YOUNG ROCK | NBC

Megastar Dwayne "The Rock" Johnson and *Fresh Off the Boat's* Nahnatchka Khan are among the executive producers of this single-camera comedy based on Johnson's formative years as a globe-trotting troublemaker with all-star athletic potential.

Gabrielle Union and
Jessica Alba

↑ L.A.'S FINEST | FOX

Premieres: Sept. 21

Airs: Mondays at 8pm

Who's In It? Gabrielle Union, Jessica Alba, Duane Martin, Zach Gilford

What's It All About? Originally a Spectrum cable exclusive, FOX has picked up this thrilling police drama for the fall. The show centers around the cop duo of Nancy McKenna (Alba) and Sydney Burnett (Union), partners who have each other's back no matter what.

Viewers may recall being first introduced to the character of Burnett in the film *Bad Boys II*, making this series a spinoff of

sorts. Leaving her complicated past behind, Syd has moved from Miami to L.A. to become a police detective, where she's partnered with working mom McKenna.

With its setting as the streets of Los Angeles, on this show, anything can happen. And it's executive produced by Jerry Bruckheimer, so expect lots of explosions, gunfire and general chaos. But at the end of the day, the core relationship is between the two cops at the center. "It felt really modern to tell this story of this friendship and this partnership of two women in a modern time, in a modern world," said Alba. "And I think it's different for a show like ours to tackle more of the personal relationships and [be] less of a procedural."

← NEXT | FOX

Premieres: Oct. 6

Airs: Tuesdays at 9pm

Who's In It? John Slattery (pictured), Fernanda Andrade, Michael Mosley, Jason Butler Harner, Eve Harlow

What's It All About? If you're already paranoid about your electronic devices spying on you, then you'll probably smash your smartphone after seeing this techno-thriller. Slattery (*Mad Men*) stars as Silicon Valley pioneer Paul LeBlanc, developer of a groundbreaking artificial intelligence called neXt, which is built into just about everything with a computer chip. But neXt

soon evolves from a benevolent personal assistant into a menace that wreaks havoc on humans and turns them against each other. LeBlanc teams up with a cybercrime expert (Andrade) to try to stop a supervillain who is both everywhere and nowhere. While neXt is a complex foe, Slattery was struck by the ease with which it could defeat us. "The more mundane usage of this AI is the most frightening," Slattery says. "I mean, this thing in the pilot gives the kid the combination to the gun safe. It's a very simple equation that ends up with potentially horrific results. It isn't necessarily the highest-concept usage of the AI that's the most frightening. It's the simple stuff."

Premieres: Fall

Airs: Thursdays at 10pm

Who's In It? Christopher Meloni

What's It All About? In this latest spinoff of the immensely popular and long-running *Law & Order* franchise, Meloni reprises his fan-favorite, Emmy-nominated role as Detective Elliot Stabler, whom he portrayed for the first 12 seasons of *Law & Order: Special Victims Unit*.

Here, Stabler returns to the NYPD to battle organized crime after a devastating personal loss. However, the city and police department have changed dramatically in the decade that he's been away, and he must adapt to a criminal justice system in the midst of its own moment of reckoning. Stabler will aim to find absolution and rebuild his life while leading a new elite task force that is taking apart the city's most powerful criminal syndicates one by one.

At presstime, NBC told us that due to the pandemic's impact on production, things were still "up in the air" regarding filming on *Organized Crime*. As of this writing, the series was still scheduled for fall, but NBC admitted that "fall" for them may not start in September this year.

**LAW & ORDER:
ORGANIZED CRIME** | NBC

THE EQUALIZER | CBS

Premieres: Fall

Airs: Sundays at 8pm

Who's In It? Queen Latifah, Chris Noth, Lorraine Toussaint, Tory Kittles, Liza Lapira, Laya DeLeon Hayes

What's It All About? Inspired by Edward Woodward's '80s series and the more recent Denzel Washington film franchise, this series stars Latifah in the title role playing an ex-CIA agent who uses her skills to help those in need. *Sex and the City*'s Noth costars as her former handler. She's got a mysterious background that will keep viewers guessing in what surely will be a welcome addition to the rich CBS procedural lineup.

TRANSPLANT | NBC

Premieres: Sept. 1

Airs: Tuesdays at 10pm

Who's In It? Hamza Haq, Laurence Leboeuf, John Hannah, Jim Watson, Ayisha Issa

What's It All About? This 13-episode medical drama was a hit in Canada earlier this year. The series centers around Dr. Bashir "Bash" Hamed (*Quantico*'s Haq), a Syrian doctor with battle-tested skills in emergency medicine who fled his country with his younger sister. Together, they struggle to forge a new life in Canada as Bash strives to rebuild his career in medicine.

FILTHY RICH | FOX

Premieres: Sept. 21
Airs: Mondays at 9pm
Who's In It? Kim Cattrall, Gerald McRaney, Mark L. Young, Melia Kreiling, Benjamin Levy Aguilar, Steve Harris, Aubrey Dollar, Corey Cott, Olivia Macklin, Aaron Lazar
What's It All About? A philandering husband dies, and his three illegitimate offspring are named in the will, much to the surprise of his wife and their two children. Exec producer Tate Taylor (*The Help*) says he loved the premise (from a New Zealand series) and thought, "What would make it really cool is if the three were vastly different from the wife," a megachurch megacelebrity from the South (Cattrall). It's a classic example of when wealth, power and religion collide with outrageously soapy results. "There's something addictive about doing a character or a show that you haven't seen before," tells Cattrall. "You feel slightly like a pioneer of sorts in delving into this world. I don't come from the South. I was not raised in a religious household. All of these [are] new aspects for me, but it was a wonderful opportunity [to explore] if I was filthy rich, if I had a family, if I had children." Consider it the best guilty pleasure of the season.

THE WALKING DEAD: WORLD BEYOND | AMC

Premieres: Oct. 4
Airs: Sundays at 10pm
Who's In It? Aliyah Royale, Alexa Mansour, Annet Mahendru, Nicolas Cantu, Hal Cumpston, Nico Tortorella, Julia Ormond
What's It All About? This is the next chapter in the

Walking Dead franchise. This one follows the first generation of children raised in the zombie apocalypse. Unlike their predecessors, these children have been sheltered in the confines of a walled community and are somewhat immune to the brutal postapocalyptic world surrounding them. As with all teens, following parental guidance doesn't always come easy and some look to explore the world outside of their safe space. Ultimately, some will become heroes, some will be villains, but all will be changed forever.

GENIUS: ARETHA | NAT GEO

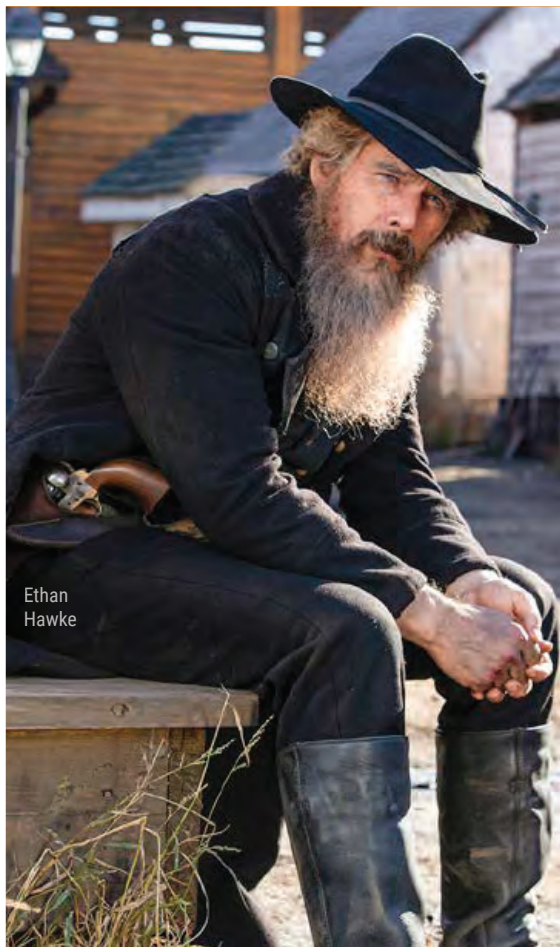

Premieres: Fall
Who's In It? Cynthia Erivo, Courtney B. Vance, Shaian Jordan, Pauletta Washington, Patrice Covington, Rebecca Naomi Jones

What's It All About? R-E-S-P-E-C-T. After exploring Albert Einstein and Pablo Picasso in its first two installments, *Genius* presents

the life, career and music of Aretha Franklin. Erivo, a Tony and Grammy winner and Oscar nominee, embodies the Queen of Soul. "I love Aretha. I've been listening to her since I was little, and I learned to sing and tell stories that way, by listening to her," Erivo says. "So you approach it by paying attention to the music, listening to her voice, listening to how she communicates with her music. ... I've been poring over lots of her interviews to find out her cadence and just different things, really. I get to be a geek of something I really love, but that's how I've been getting into her."

Ethan
Hawke

Premieres: Oct. 4
Airs: Sundays at 9pm
Who's In It? Ethan Hawke, Joshua Caleb Johnson, Ellar Coltrane, Daveed Diggs, David Morse, Steve Zahn, Maya Hawke, Wyatt Russell, Orlando Jones
What's It All About? Ethan Hawke, who is also an executive producer, stars as famed abolitionist John Brown in this seven-part miniseries based on James McBride's acclaimed novel. The historical drama is fancifully told from the point of view of Onion (Johnson), a fictional enslaved boy who is part of Brown's motley crew of abolitionist soldiers in the years just prior to the Civil War. Diggs (*Hamilton*) guest-stars as Frederick Douglass, the escaped slave who became a legendary social reformer, with Russell (*Lodge 49*) as Brown's nemesis, the future Confederate general Jeb Stuart.

THE GOOD LORD BIRD
SHOWTIME

REBUILDING PARADISE | NAT GEO →

Premieres: November
What's It All About? Following its limited, late-summer run in theaters, Oscar-winning director Ron Howard's documentary makes its TV premiere on National Geographic this fall.

On the morning of Nov. 8, 2018, a devastating firestorm engulfed the picturesque city of Paradise, Calif. By the time the Camp Fire was extinguished, it had killed 85 people, displaced 50,000 residents and destroyed 95% of local structures. It was the deadliest U.S. fire in 100 years — and the worst ever in California's history.

Howard's film is a moving story of resilience in the face of tragedy, as a community ravaged by disaster comes together to recover what was lost and begin the important task of rebuilding. And making the documentary was an emotional experience for all involved.

Premieres: Fall
Airs: Tuesdays at 10pm
Who's In It? Kylie Bunbury, Katheryn Winnick, Ryan Phillippe, John Carroll Lynch, Jade Pettyjohn
What's It All About? Based on *The Highway*, the first in the series of Cassie Dewell novels by C.J. Box, *Big Sky* follows private detective Cassie Dewell (Bunbury), who teams up with ex-cop Jenny Hoyt (Winnick) to investigate the kidnapping of two sisters in Montana. Soon the investigative duo finds out that more girls have disappeared in the area, and the search becomes a race to figure out the truth before more are taken. The series is written and executive produced by David E. Kelley, who returns to ABC over a decade after his show *Boston Legal* — a spinoff of his hit *The Practice* — ended in 2008.

↑ SOULMATES | AMC

Premieres: Oct. 5 **Airs:** Mondays at 10pm
Who's In It? Sarah Snook, David Costabile, Sonya Cassidy, Charlie Heaton, Malin Akerman, Betsy Brandt
What's It All About? In 2023, researchers discover the human "soul particle," which years later leads to the Soul Connex company developing a simple test that matches a person to their scientifically verified soulmate. This six-part sci-fi anthology series, set 15 years into the future, explores the test's impact on relationships, families and the fabric of society itself. In the premiere episode, "Watershed," Nikki (Snook) is a married mother of two who's struggling with the decision to remain in her happy, stable marriage or take the test and see if she could be even happier. In "The Lovers," a college professor (Costabile) has his personal and professional life thrown into chaos when a woman (Cassidy) discovers she is his soulmate after hacking into his Soul Connex account to get his private test results. Much like Netflix's *Black Mirror* brings technology's moral dilemmas to light, *Soulmates* challenges the notion that science has the formula for love and happiness.

THE SALISBURY POISONINGS
AMC+ / AMC

Premieres: AMC+ Oct. 1 / AMC early 2021
Who's In It? Anne-Marie Duff, Rafe Spall, MyAnna Buring, Johnny Harris
What's It All About? "In 2018 the people of Salisbury were faced with an unprecedented crisis. A chemical weapons attack on a British city," reads the four-part event series' opening titles. "Based on first-hand accounts and extensive interviews, this is their story." After two people are found convulsing on a park bench, police investigators link them to a Russian spy ring and learn the source of their illness: a lethal nerve agent called Novichok. Hundreds of traces of the toxin are found all over the city, and authorities swing into action to stop a potential mass-casualty event. The miniseries was a critical and ratings hit for BBC One over the summer, and the American audience should also find it equally gripping and topical.

↓ Premieres: AMC+ Oct. 1 / AMC early 2021
Who's In It? Joe Cole, Sope Dirisu, Colm Meaney, Lucian Msamati, Michelle Fairley, Paapa Essiedu, Pippa Bennett-Warner
What's It All About? This is the U.S. premiere of the critically acclaimed, action-packed British thriller's first season (it has also been greenlit for Season 2, expected in 2022).

A record-breaking success in the U.K., *Gangs of London* offers an immersive journey into the hidden heart of the famed capital city of its title. Set in one of the world's most dynamic and multicultural cities, the 10-episode season tells the story of a city being torn apart by the turbulent power struggles of the international gangs that control it and the sudden power vacuum that's created when the head of London's most powerful crime family is assassinated.

For 20 years, Finn Wallace (Meaney) was the most powerful criminal in London. Billions of pounds flowed through his organization each year. But now he's dead – and nobody knows who ordered the hit. With rivals everywhere, it's up to the impulsive Sean Wallace (Cole), with the help of the Dumani family, headed by Ed Dumani (Msamati), to take his father's place.

"*Gangs of London* is a cinematic thrill ride that set screens ablaze with a stellar cast, elevated drama and epic storylines, and we couldn't be more excited to raise the pulse of our audiences with this explosive crime series," says Dan McDermott, president of original programming for AMC and co-president of AMC Studios.

This, however, is Tariq's journey as he's forced to achieve academic excellence at his Ivy League university in order to earn his inheritance. ← ENSLAVED | EPIX

Premieres: Sept. 14
Airs: Mondays at 10pm
What's It All About? Led by actor and activist Samuel L. Jackson, who is also an executive producer, this six-part docuseries sheds new light on 400 years of human trafficking from Africa to the New World. Based on a DNA test identifying his ancestral tribe, the series traces Jackson's personal journey from the U.S. to Gabon for his induction into the Benga tribe, with rare and unprecedented access to secret ceremonies and local customs.

Using new diving technology – such as advanced 3D mapping and ground-penetrating radar – to locate and examine sunken slave ships on three continents, the series reveals an entirely new perspective on the history of the transatlantic slave trade and also tracks the efforts of Diving With a Purpose (DWP), a collaborating organization with the National Association of Black Scuba Divers (NABS), as they search for and locate six slave ships that sank, drowning the enslaved humans aboard. Featuring the most dives ever made on sunken slave ships, *Enslaved* also chronicles the first positive identification of a "Freedom Ship," an American schooner that ferried African American runaways to Canada.

Each episode follows three separate storylines: the quest for a sunken slave ship, a personal journey by Jackson and a historical investigation led by investigative journalists Simcha Jacobovici and Afua Hirsch. *Enslaved* also celebrates stories of resistance, accomplishment and hope; the cultures left behind and the culture that we live in presently – a culture that, in many ways, was born in the bowels of those sunken slave ships.

Mark Harmon

← **NCIS** | CBS

Returns: Tuesdays at 8pm
Where We Left Off:

Stoic leader Leroy Jethro Gibbs (Mark Harmon) took an unexpected, arduous emotional journey in Season 17. His heart was cracked open by two important relationships: His presumed dead daughter figure, former agent Ziva David (Cote de Pablo), made a surprise return, and he became a buddy to kid next door

Phineas (Jack Fisher). The two storylines collided tragically when the boy's mom turned out to be a terrorist Gibbs had to shoot dead to save Ziva. On top of that, in the April 14 episode that served as the season ender (COVID-19 precautions shut down production before the final few episodes could be shot), Gibbs' encounter with a World War II vet led him to talk, for the first time, about his own combat experiences ("[Kuwait] took something from me") to techy agent Timothy McGee (Sean Murray). The actor traces his bottled-up character's un-bottling back to the end of Season 16, when he divulged his deepest secret – that he'd killed the man responsible for murdering his wife and child – to keep in touch with those pesky things called feelings, which can be mighty motivators.

What To Expect: The Season 18 headline: "Gibbs unchained!" Yes, the big boss will be bolder than ever when the military crime drama returns for its announced fall premiere. Not that the ex-Marine sniper has ever been afraid to let loose on lawbreakers. He's fearless in raids. His restrained but pointed interrogations are legendary for eliciting confessions. Even his own special agents tread lightly around him – especially when disobeying a dictum in his famous "rule book." The difference now is that the man who once ordered his team "Hug on your own time!" is getting in touch with his feelings. As for the Gibbs of today, "as he grows more thoughtful about his choices and actions, that is going to make him more aware of his vulnerabilities," says executive producer Frank Cardea. "How he chooses to react to his new understanding of his weaknesses is another matter entirely." Gibbs unchained, remember? After all, he may soften up, but he'll never go soft on crime. – *Kate Hahn*

Ellen Pompeo

Returns: Thursdays at 9pm
Where We Left Off: Richard (James Pickens Jr.) is recovering from surgery to get rid of his cobalt hip replacement, which was giving him Alzheimer's-like symptoms, but when he woke up from surgery, he remembered why he was upset with estranged wife Catherine (Debbie Allen). Meredith (Ellen Pompeo) consoles DeLuca

(Giacomo Gianniotti) through tears he can't explain. Owen (Kevin McKidd) postpones his wedding to Teddy (Kim Raver) after receiving a voicemail of her getting it on with Koracick (Greg Germann). And Amelia (Caterina Scorsone) has her baby! **What To Expect:** Due to the pandemic, Season 16 ended four episodes early, but showrunner Krista Vernoff has said that the upcoming season won't incorporate all of those unused ideas. What will Season 17 have in store? Expect real life to rear its ugly head. "We're going to address this pandemic for sure," said Vernoff. "There's no way to be a long-running medical show and not do the medical story of our lifetimes."

Returns: Sept. 27 at 10pm

Where We Left Off: In 2017, Ewan McGregor starred as twins Emmet and Ray Stussy in Year 3 of creator/writer/director Noah Hawley's crime anthology. Year 4 was supposed to premiere in spring, but COVID-19 forced a delay.

What To Expect: Year 4 is set in 1950 Kansas City, where racial and economic tensions are on the rise. The Cannon Limited crime syndicate is looking for its piece of the pie, and they're ready to take it from the Fadda Family. Chris Rock, Jason Schwartzman, Andrew Bird, E'myri Crutchfield, Timothy Olyphant and Jessie Buckley star.

↔ A MILLION LITTLE THINGS | ABC

Returns: Thursdays at 10pm

Where We Left Off: Everyone in the friend group was doing a little bit of reevaluating in the wake of the anniversary of Jon's death. Gary (James Roday) and Maggie (Allison Miller) finally talked, but she's still leaving for Oxford. Delilah (Stephanie Szostak) is moving on from Jon with a new guy. And Katherine (Grace Park) is in maybe the best place, with a new office gifted from the gang and a big anniversary with Eddie (David Giuntoli) coming up.

What To Expect: But that happiness is destined to be short-lived. We're most worried about Eddie, who was last seen getting hit by a car after deciding to make the right choice and not drink at the bar. The main question is: Will he survive? If he does, he has a lot to deal with, including the repercussions of almost taking that drink – and looking into what happened at the lake house in his youth – plus

whatever physical damage comes from the accident. We know the aftereffects will be pretty major – executive producer D.J. Nash said, "Katherine and Theo's life will never be the same" after the Season 2 finale.

Elsewhere, Rome (Romany Malco) and Regina (Christina Moses) are attempting to recover from the loss of their prospective child. "There's a certain part of [Regina] that is putting a wall up against anything that hurt her or anyone that played a hand in her being hurt," said Nash. Does that extend to her husband? How will that impact their relationship going forward?

Also, don't count out Gary and Maggie. Sure, Gary called Darcy (Floriana Lima) his "fresh start" in the finale, and he did say goodbye to Maggie at the airport, but Nash teased, "We're setting up Gary and Maggie to have the most potential they've ever had to end up together."

THE GOOD DOCTOR | ABC

Returns:

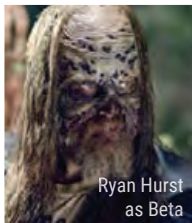

Mondays at 10pm

Where We Left Off: In the aftermath of an earthquake, not everyone made it out alive. Melendez (Nicholas Gonzalez) died of his injuries, but not before saying “I love

you” to Claire (Antonia Thomas). Elsewhere, Shaun (Freddie Highmore) and Lea (Paige Spara) began a new romance.

What To Expect: Everyone will be figuring out a new normal after the disaster. Dr. Reznick (Fiona Gubelmann) jumped in on a surgery despite the procedure on her hands, and that could cost her her career as a surgeon. Might Dr. Andrews (Hill Harper) have something else in mind for her?

THE WALKING DEAD | AMC

Returns: Oct. 4 at 9pm (Season 10 finale);

however; six additional episodes of Season 10 are now planned for 2021

Where We Left Off: We ended an episode short of the season finale. Alpha is dead, and Beta (Ryan Hurst) is now the new leader of the Whisperers and seeking vengeance (watch out, Negan!). The Whisperers and the walker herd were closing in on

the Survivors, who are seeking shelter in the hospital. Meanwhile, Eugene (Josh McDermitt) and a few others were en route to meet his potential love interest Stephanie, where they met the colorful, nutty, mine-hopping Princess (Paola Lázaro). Who knows how that one is going to play out.

What To Expect: “Beta’s a little pissed off at Negan,” Jeffrey Dean Morgan tells. “[He] could be the bait!” Lauren Cohan is back full time for Season 11, but we’ll first see her in the “finale.” (Season 10 has been extended with six more episodes.) When Maggie returns, it’ll be to a new Negan (Morgan), as her husband Glenn’s murderer is no longer locked up. “It’s not going to be an easy road for either of them,” showrunner Angela Kang teases. “Negan’s been on this whole other journey while she’s been gone, but Maggie’s coming in and she hasn’t seen any of that. ... These two have to figure out how to occupy the same space.”

Sterling K. Brown, Susan Kelechi Watson, Justin Hartley, Chrissy Metz, Milo Ventimiglia and Mandy Moore

THIS IS US | NBC

Returns: Tuesdays at 9pm

Where We Left Off: The family congregates at a party for Kate (Chrissy Metz) and Toby’s (Chris Sullivan) son Jack, where they also had a big surprise for everyone – they’re adopting another child! Kevin (Justin Hartley) and Randall (Sterling K. Brown) have a huge fight about Rebecca’s (Mandy Moore) Alzheimer’s trial, and terrible things are said. And Kevin’s going to be a dad – to twins! The mother is one-night stand Madison (Caitlin Thompson).

What To Expect: Not much is known about the upcoming

Season 5 – and keep in mind that the show has already been renewed through Season 6 – but Mandy Moore teased that viewers will see the beginning of Rebecca and Miguel’s (Jon Huertas) relationship. “We’ve been talking about it for so many years and I feel like this is finally the season. ... I feel like that will be one of the greatest tricks of the show is getting people to get onboard with Rebecca and Miguel,” Moore said. “I know it’s always going to be ‘Jack and Rebecca,’ but they deserve a new lease on life together, and I’m excited to see how they’re going to bring us together.”

↑ APOCALYPSE '45 | DISCOVERY CHANNEL

Premieres: Sept. 5 at 8pm

What's It All About? Airing just after the 75th anniversary of the end of World War II, this timely documentary recounts the final months of the war in the Pacific with never-before-seen, raw color film footage and the voices of 24 men who lived through the events. It documents events from the flag raising at Iwo Jima in February 1945, to the harrowing kamikaze attacks and vicious ground combat at Okinawa in April of that year, to the first test of the atomic bomb in the remote deserts of New Mexico on July 16. In addition, viewers will witness the air war over Japan in the summer of 1945, and – perhaps most astonishingly – the still-burning ruins of Hiroshima and Nagasaki, when a U.S. Army medical camera crew photographed the devastation to both the cities and their inhabitants.

For this film, the National Archives opened its vaults and

allowed access that was previously denied to over 700 reels of footage covering the harrowing expanse of the final months of the Pacific War. Very little of this material has ever been screened – and none of it has ever been digitally restored, frame by frame, to 4K – until now.

In addition, another treasure was uncovered and restored – astonishing new footage captured by legendary director John Ford. In essence, a “lost film” by Ford, it depicts the ruins of the Pacific Fleet and the terrible aftermath of the surprise attack on Pearl Harbor. Also driving the narrative of *Apocalypse '45* are recently completed interviews with two dozen men who lived through these nightmarish events. Most of these men were in their mid to late 90s when filmmakers spoke with them, with the oldest, B-29 pilot Thomas Vaucher, 101 years old at the time of his February 2020 interview.

Sartore will stop at nothing to achieve his goal (at the time of this writing, he had documented his 10,000th species), even if it means following a giant armadillo into a bathroom.

Sartore's photos are as lovely as the sentiment behind

why he is taking them, and this special will be a must-see for nature lovers who hope that his “ark” full of photos is eventually not the only place we'll be able to see such creatures.

Premieres: Sept. 28

Airs: Mondays at 10pm

Who's In It? Some of the top female surgeons in the country: Dr. Cat Begovic, Dr. Kelly Killeen, Dr. Michelle Lee and Dr. Suzanne Quardt (pictured left)

What's It All About? It's *Botched* meets *Real Housewives Plastic Surgeons* as cameras take us inside the offices of these four plastic surgeons to follow their patients and demanding schedules, as well as go inside their homelife. From excess skin removal, third-breast extraction and a double mastectomy to facial cysts and post-childbirth vaginal rejuvenations, these surgeons are proving a woman's touch can go beyond skin deep. We talked with Dr. Suzanne Quardt (call her Dr. Q), who specializes in everything from the "snooter to the cooter."

On the mix of doctors: Dr. Q: "Some are still establishing themselves like Dr. Lee, she's young and vibrant. And then Dr. Kelly does a lot of reconstructive breast surgery, and then myself and Dr. Cat have a little more established aesthetic practices. So you kind of have this timeline of women in different time periods in their exciting careers. So you get that neat perspective."

On the personality of the group: "There's never been a show about all female plastic surgeons ... only 15% of board-certified plastic surgeons are women. ... I've been involved pretty much from the beginning and now I'm the OG of the group. I got to keep up with these young bitches. You know what I mean?"

On cameras capturing their homelife: "You're going to see it all. ... I thought it was important, especially for young girls growing up, to see what our personal lives are like. ... They say that a surgeon is at least 10 years or more delayed from starting their practice and making money than like just about any other profession because of all the years of training. So you've missed your 20s and 30s by training. So we start families a little later. I got married at like 38, much later. I thought that was an important thing for viewers to watch. Because my dream, just so you know, was to have a reality show that I could be proud to watch with my daughter. And I think this is it."

I'm grateful for that and for the lifelong friendships made." As for Banks, she's got big shoes to fill as the *DWTS* audience is sad to see Tom go. "Tom has set a powerful stage, and I'm excited to continue the legacy and put on my executive producer and hosting hats," Banks said.

As her crew's journey into space intensifies, their personal dynamics and the effects of being away from their loved ones back on Earth become increasingly complex. *Away* seems to be a passion project for Swank, as it allows her to sort of combine two of her childhood aspirations. "I've said in press interviews that I always wanted to be an actor, but before knowing this, when I was 5 years old, all I wanted to be was an astronaut," the actress says. Mateen II, Kelvin Harrison Jr., Frank Langella

What's It All About? A terrific ensemble cast headlines writer/director Aaron Sorkin's (*The West Wing*) film that dramatizes actual events that remain timely and will probably strike viewers as familiarly similar to current events today. What's It All About? Frost and Pegg (*Shaun of the Dead*, *Hot Fuzz*) are also co-creators and -writers of this eight-part, *Ghostbusters*-ish supernatural comedy series that Amazon says "mixes the very funny with the very scary."

Truth Seekers follows a team of part-time paranormal

investigators who join forces to uncover and film ghost sightings across the U.K., sharing their adventures on an online channel for all to see. However, as they stake out haunted churches, underground bunkers and abandoned hospitals with their array of homemade ghost-detecting gizmos, their supernatural experiences grow more frequent, more terrifying and even deadly, as they begin to uncover a conspiracy that could bring about Armageddon for the entire human race.

New Episodes Available: Fridays

Where We Left Off: The Boys are on the run from the law, hunted by the Supes, and desperately trying to regroup and fight back against Vought.

His power is threatened with the addition of Stormfront (Cash), a social media-savvy new Supe, who has an agenda of her own. On top of that, the Supervillain threat takes center stage and makes waves as Vought seeks to capitalize on the nation's paranoia. Patton Oswalt will guest-star in Season 2, with recurring stars during the season including Claudia Doumit, Goran Visnjic, Giancarlo Esposito and others.

UTOPIA
PRIME VIDEO

Together, Ian (Byrd), Becky (LaThrop), Samantha (Rothe), Wilson (Borges) and Grant (Walton) unearth hidden meanings cloaked within the pages of *Utopia*, predicting threats to humanity. They realize these are not just the makings of a conspiracy – they are very real dangers coming alive right now in their world. The high-stakes adventure brings the group face-to-face with the comic's famed central character, Jessica Hyde (Lane), who joins them on their mission to save the world while harboring secrets of her own.

CRITIC PICK OF THE MONTH

Make It A Movie Night!

Usually my title in this spot is something I've seen, but as of presstime this hasn't been offered to me for review. I grew up with the Wyld Stallyns and Bill (Alex Winter) and Ted (Keanu Reeves). I miss George Carlin (Rufus) and I'm willing to give this little film a chance. As Bill and Ted have grown up, so have the fans of their antics. Still, let us hope for a lot of rock and ample amounts of fun from this third film in the franchise.

It's my pick of the month.

Paul Hall is a nationally syndicated film critic and member of the Broadcast Film Critics Association (BFCA).

Bill & Ted Face the Music

(Comedy) They had an excellent adventure with time travel, and a bogus journey to heaven and hell, but that was as much younger men. Now Bill and Ted are dads and they have one more journey through time to create a hit song and save the world. *Keanu Reeves, Alex Winter, Samara Weaving* (PG-13, 1:31) **Premieres Sept. 1**

The 2nd

(Action) When Secret Service agent Vic Davies picks up his son from college, he isn't expecting to be thrust into the middle of an attempt to kidnap the daughter of an important justice who happens to attend the same school. *Ryan Phillippe, Casper Van Dien, Samaire Armstrong* (NR, 1:33) **Premieres Sept. 1**

Make It A Movie Night! An action-packed movie night is in store with this film, so buckle up.

ACROSS & DOWN By Donna Pettman

DIRECTIONS

Rearrange the letters in each group to form a word. Place the words into the diagram so that the same words read both across and down. (The first word across is the same as the first word down and so on.) The letter groups are not necessarily placed next to the row of the diagram in which they go.
