

HOW TO CONTACT A NETWORK

Please save this section for future reference!

Next time a network changes a show on you, doesn't air that movie you want to see, yanks your favorite series or does something that you think deserves some kudos, use this reference section to tell them what you think! The best way to reach a network these days is online via their "Contact Us" page (look at the bottom of their website for a link) and/or through the network's social media

channels like Facebook and Twitter. Just as a reminder since a few of you got confused last year, email addresses contain the @ in the address, ex: general@network.com. Hope this helps!
